

WEB QUESTIONNAIRE

The questions below are to help you define the structure, scope and purpose of your new website. This is a very important step that must be completed in order to create a comprehensive quote, site plan and implementation timeline. Don't worry if you can't answer every question. Some questions may not be applicable for your project. Others may require further discussion.

READY TO WORK WITH US?

If so, this page will serve as a starting point of our fruitful collaboration.

Below you will find the questionnaire which is the first stage of Website Design at Grow Combine. It help us gather information for your quote and for further development process. We have our exclusive ICE Methodology (**Innovative. Creative. Effective**) for our development process which results in making your project par excellence.

Please do give precise, thoughtful and if required detailed reply to the questions below. Your reply will help us gain valuable insight on your company, the business, your company personality, your customers as well as your taste and personal preferences. Most importantly, this will help us create your new website that will align your mission and vision that you want to achieve.

WEBSITE STRATEGY

1. What is the aim and purpose of developing this website? Is it the first version, or are you looking to redesign your existing site? If a redesign, please describe the specific features that you wish to see corrected.

2. List your definite goals you would like to achieve by developing and launching this website. This could boost your sales, increase brand recognition, drive more visitors to your website, increase customer base etc.

3. Does your company have a well-defined mission and/or goals? If you have a slogan or a tagline, please include them, too.

4. Describe your field of operation and your business directions. List the key points of your marketing message, your advantages, any additional you would like your potential customers to know about your company or product.

5. Other additional information about your company. Give us the full name, possible abbreviations, the common name to be used throughout the site, etc.

TARGET AUDIENCE / INDUSTRY / DEMOGRAPHIC

6. Who is your target audience? (A brief description on your targeted audience/potential customers, if possible please include their age, sex, social status, income etc.)

7. List your primary industry(s)

8. Who is your competitor? (Provide company name, web addresses if possible)

IF LOOKS COULD LIKE & STONES COULD FEEL

First impressions are very important. What IMAGE do you want to project? (Check as many as apply)

- | | | |
|---------------------------------------|---------------------------------------|---------------------------------------|
| Traditional <input type="checkbox"/> | Contemporary <input type="checkbox"/> | Conservative <input type="checkbox"/> |
| Formal <input type="checkbox"/> | Casual <input type="checkbox"/> | Serious <input type="checkbox"/> |
| Cutting edge <input type="checkbox"/> | Corporate <input type="checkbox"/> | Personal <input type="checkbox"/> |
| Friendly <input type="checkbox"/> | Expensive <input type="checkbox"/> | Minimalist <input type="checkbox"/> |

Give us your idea of the color scheme to be used when designing your new site. If you have corporate identity elements, like a logo, a brand book, printed ads which you think we could use while working on the design, please mention them and deliver those materials to us.

Please list the sections your new site is supposed to have. Check the fields which correspond to your vision, or use the text field to give a free description.
